Dear Mr. Crofton-Briggs

Planning Application 07/02107/FUL: 7 The Croft –partial demolition and remodelling

Thank you for giving us the opportunity to consider this application which is of major importance in this conservation area.

The house as it stands at the moment is a poor quality 1960s house and we believe the remodelling will improve the property considerably, and it will thus fit more comfortably within the area of Old Headington. We are pleased to know that handmade bricks and tiles will be used in its rebuilding.

We would like to add that we commend the applicants for the work they did to consult their neighbours about their plans for the property.

Yours sincerely

Stella Welford
Hon. Secretary
