Dear Mr. Crofton-Briggs

Application 08/0903: The Grange, Larkins Lane

Thank you for inviting us to respond to this application. We are very glad that this listed wall will be rebuilt under the supervision of the City's Conservation Officer and English Heritage, and are happy with the details given in the application. The skill of the stone masons will make all the difference to the appearance of the wall, as will the style of pointing to be used. We shall be interested to see the sample panel which will be inspected, and approved, by the Historic Buildings Officer.

We were interested to read that the mortar mix which will be used for the wall is different from the one we were recommended that residents in the conservation area should use.

Yours sincerely

Stella Welford
Hon. Secretary
