Dear Mr. Crofton-Briggs

Planning application 11/02398/T56 comms box - by 40 Old High Street

We have no particular comments to make on this application except to say that the proposal is to put the box by another BT box where the pavement starts to get narrow so it must be placed as close to the boundary wall of Headington House as possible, if, in fact, it is decided to go ahead with this addition.

Yours sincerely

Stella Welford
Hon. Secretary
