Dear Mr. Crofton-Briggs

Planning Application 11/00823 – 20 St. Andrew's Road

Thank you for giving us the opportunity to consider this application. We understand the reason for the changes the owners wish to make but the design is unsympathetic both to the style of the building and the conservation area.

We feel strongly that the balcony proposed for the first floor level at the rear of the property is out of keeping with the period of that part of the house which was built in the seventeenth century.

We therefore ask that the application be re-submitted excluding the balcony and including a Heritage Statement and a Design & Access Statement.

Yours sincerely

Stella Welford
Hon. Secretary
